“Let the little children to come unto me...” Mark 10:14

In an effort to save parents time and money, **Prek-2nd grade teachers will purchase the specific supplies their students need.** *Parents will pay a one-time fee of \$70.00* for the 2020-2021 school year. If/when a child exhausts their supplies the teacher will reach out individually through-out the year.

Parents are still responsible for purchasing a backpack, reusable water bottles, lunch box, face mask and/or face shield. Pre-Kinder and Kinder will also need a light blanket.

You can see the break-down of the cost of supplies per class below.

Thank-you for your support as we strive to make things easier for our FWAJA families.

Pre-Kindergarten and Kindergarten Supply Cost Break-down
